The world is
changing.
EU is ready.
Are you?
Start here.

Welcome to EU Career Day 2023!

Dear students,

On behalf of management, faculty and staff at EU Business School, I am thrilled to welcome you to EU Career Day 2023.

As the world continues to adapt and reconnect, the modern business world has evolved to accommodate a new way of operating. Digital solutions in particular have played a critical role in keeping industries afloat.

Today's entrepreneurs must possess a flexible mindset in order to navigate the needs of ever-fluctuating business environments. Creativity combined with technological awareness and innovative thinking are the necessary qualities required to succeed.

These fundamental skills form the core of EU's educational philosophy, allowing you to embrace the challenges and achievements of your chosen field.

Our Career Day provides you with the chance to engage with industry professionals, inviting you to discover the latest employment trends, forge strong networks and learn more about the dynamic opportunities that form the basis of a prosperous business career.

The program has a tremendous amount to offer. You will attend talks and panel discussions with leading speakers, take part in stimulating workshops and receive mentorship and guidance from business pioneers at the forefront of the world's top corporations.

The future is yours to shape. Rise to the occasion and take full advantage of EU Career Day to connect for your future success!

Useful Tips

Make the most of EU Career Day,
before, during and after the event.

Before

- Research the companies that will be present at the event, and the career options on offer. Take note of the ones that interest you.
- Prepare a list of questions that you would like to ask company representatives.
- Think about what you want from the experience: networking? Information about an industry? An internship?
- Tailor your CV according to the job opportunities available and bring several hard copies with you.
- You can apply for positions prior to the event, and request feedback regarding your submission in person on the day.
- Prepare a short introduction for yourself that highlights your unique qualities and talents.
- Ensure that you dress professionally.

During

- Ensure that you arrive on time to the event.
- Bring a folder to store papers and business cards that you collect from companies.
- Speak with company representatives to learn about their work, and ask any questions that you may have.
- When speaking, link a company's values and job offerings to your own skills and experience.
- Be concise and professional at all times.
- Collect business cards, LinkedIn contacts and any other relevant information that you may require.

After

- Send short follow-up notes to company representatives via LinkedIn to thank them for their time. Ensure that your profile looks professional prior to doing so.
- Send any job applications as soon as possible. Reference EU's Career Day where appropriate.
- Send digital copies of your CV to any relevant new contacts.
- Contact EU's Career Services Department for advice on selection processes and interviews.

TALK: BUSINESS WITH A PURPOSE

BARCELONA ROOM | 11 a.m.-12 p.m.

Guillermo Cernuda
Operations Director, Do Good People

Hailing from Madrid, Guillermo Cernuda is a lawyer, specializing in technology applied to compliance, cyberlaw, data protection and Legal Tech.

Today, as Director of Operations at DoGood, Guillermo is in charge of coordinating departments and corporate processes in order to meet business milestones. In his professional career, he has worked in fields such as auditing, privacy and compliance consulting, customer success and compliance tools. He became CEO of the startup Elix Reg Tech, and following seven years of dedication to consulting, he entered the world of impact startups.

TALK: DEI AS A BUSINESS IMPERATIVE

BARCELONA ROOM | 12:30-1:30 p.m.

Tomás Flier
Diversity, Equity and Inclusion Leader,
Google

Tomas Flier has devoted his life and professional career to following his purpose: to serve historically marginalized groups by dismantling systems of oppression. He has worked for Google for more than 10 years, starting out as an online marketing strategist in Google Argentina, then working in the U.S.A. on the Product Inclusion team and as a product marketing manager in the Google Photos team. In Brazil, he managed Google Cloud's marketing strategy for LATAM. He has been granted the Young Hispanic Corporate Achievers™ award by the Hispanic Association on Corporate Responsibility and has been recognized as a One Young World global ambassador.

TALK: THE FUTURE OF WORK. NEW JOBS IN 2030

MUNICH ROOM | 11 a.m.-12 p.m.

Gabriel Badrines
HR Director, Synchotech

Gabriel Badrines has 35 years of experience in the field of Human Resources, developing HR processes in companies such as Sanyo, Synchotech and Impress. He has worked with a variety of multisite firms, covering competency-based recruitment and staffing, compensation and benefits, training and performance review, career development and talent retention. Gabriel specializes in staff re-engagement and cultural change, and has conducted negotiations with union leaders within the automotive, printing, chemistry, electronics and mental industries. He co-owns Synchotech.

WORKSHOP: PROFILING MY UNIQUE STRENGTHS

MUNICH ROOM | 12:30-1:30 p.m.

Ian Gibbs
Founder, The Learnability Man

Originally from the U.K. and now based in Barcelona, Ian Gibbs is a certified personal development specialist who helps people and businesses to learn, grow and blossom. Ian has always been fascinated by how we learn, how we can learn better and what stops us from doing so. Through his talks, books, blogs and Learning Clubs, Ian has helped thousands of people to develop personal learning strategies to help them achieve their learning goals faster and more effectively. His podcast, The Learnability Show, is dedicated to exploring how others have achieved mastery in their chosen fields of interest.

PANEL DISCUSSION: NEUROSCIENCE AND LEADERSHIP

BARCELONA ROOM | 3-4 p.m.

Gemma Sala
Leadership Coach, EZRA Coaching

Gemma has over 20 years' experience working with organizations in order to generate value. Her work as a certified trainer and professional coach specializes in leadership development and teamwork, and facilitating organizational change through forging strong relationships with HR departments in order to optimize team efficiency and integrate talent.

Incorporating an international approach and mindset, and drawing on expertise acquired in both Spain and the USA, Gemma works in Catalan, Spanish and English within SMEs, multinationals and public organizations at the local, national and international level. She teaches neurocoaching and neuroleadership.

Josep Ballesté
CEO, SWALA Ventures

Josep is an expert in applied neurolinguistics for business communication and venture building. He is currently the director of Swala, a top communication and leadership agency that helps business leaders to improve their persuasion and impact through hand-on workshops, tailored programs and executive coaching. In addition to tapping into the soft-skills side of the corporate world Josep's work also focuses on scalability and financing to help businesses grow and thrive.

TALK: DIGITAL TRANSFORMATION: CHARTING THE PATH FORWARD

MUNICH ROOM | 3-4 p.m.

Lluís M. Roses Pou
Innovation Director,
Institute for Transformational Leadership

Lluís currently holds the position of Innovation Director at the Institute for Transformational Leadership (IfTL). He specializes in high-performance teams, leadership and neuroleadership, change management, digital transformation and information technology, incorporating traditionally considered soft skills such as self and context awareness to maximize results for businesses of all kinds. Lluís is a former associate professor of a business school, and has extensive experience in leading consultancy teams. The combination of his academic and corporate knowledge allows him to approach leadership from a variety of perspectives, garnering exceptional insight and solutions.

Christian Campillo
Founder & CEO, Yummin

Christian is an executive with extensive experience in leading international teams, developing brands and P&L management. He has a proven track record of turning around results for businesses both in Europe and the USA, particularly within the FMCG and luxury sectors.

Christian has previously worked for renowned companies, including L'Oreal, Ferrero and Gallina Blanca. His skills and knowledge are currently being applied to the hospitality industry, where he holds the position of Founder and CEO of Yumminn, a revolutionary mobile web app for the restaurant sector that optimizes client-dining experiences.

Seven Roots Venture Capital is an impact investment fund that accelerates growth in companies which promote sustainability and a positive impact on society. Seven Roots applies its own investment model in the companies it acquires. Business projects go through a period of strategic and market validation in which business hypotheses and ESG criteria must be met as a prerequisite for the influx of capital. The objective of the vehicle is to accelerate the growth of companies, not only by being profitable, but also by producing a positive impact on our ecosystem. The circular economy projects that are currently in the fund's portfolio are particularly notable. The company was founded by Soly Sakal and Sandra Rams at the end of 2020.

Why Join?

At Seven Roots VC, we invest in small businesses and startups that we believe have the potential to grow and achieve future success. We are keen-eyed, business-oriented professionals who offer new-to-the-business-world companies trusted assistance and financial servicing. If you are a professional, hard-working, people-oriented individual with a business and customer-first mindset, then Seven Roots VC is the ideal working environment for you.

Opportunities

At Seven Roots VC, marketing is about understanding people, and building awareness of how our products and services can satisfy their needs. We are looking for versatile candidates who want to do this and more. Our ideal candidates have experience with developing and executing marketing campaigns. They are comfortable with day-to-day marketing activities, as well as long-term strategy, thriving with tight deadlines and changing needs. If you are a people-person who loves the rewarding challenge of building a brand, we want to hear from you.
