Professional Accreditations

EU Business School programs are accredited by the Accreditation Council for Business Schools and Programs (**ACBSP**) and the International Accreditation Council for Business Education (**IACBE**). Both of these accrediting bodies are recognized by the Council for Higher Education Accreditation (**CHEA**), one of the main US higher education agencies. Our institution has also earned the International Quality Accreditation (**IQA**) from the Central and East European Management Development Association (**CEEMAN**). Additionally, we have been certified by **eduQua** in Switzerland.

To ensure that accreditations truly reflect an educational institution's status and academic standards, quality reports must be submitted annually and biennially to these accrediting bodies. EU Business School duly submits these reports and is in full compliance with their requirements. The most recent reports are available to you on our website in the Accreditations section.
