EU BUSINESS SCHOOL CONTINUES EXPANSION WITH NEW MUNICH CAMPUS FACILITIES

- **EU Business School will open its new Munich Campus facilities in Summer 2024, enriching the educational journey of both its faculty and growing student community.**
- **The developments include three new classrooms which feature modern designs, together with a dynamic social space for students and additional office space. These changes reflect the evolving needs of our entrepreneurial student body of 100+ nationalities.**
- **These new spaces, in addition to our new Barcelona Campus building, form part of EU's commitment to providing the best environments in which to impart our international foundation, bachelor's, master's and MBA programs.**

EU Business School (EU) is thrilled to announce the expansion of its Munich Campus this Summer 2024, bringing brand new facilities to meet the demand of our growing student body. The incorporation of these areas will increase campus capacity by 20%, denoting EU's ongoing commitment to embracing change and innovation to benefit students and faculty alike.

The expanded facilities on the building's first floor feature three elegantly designed modern classrooms equipped with smart screens, together with additional office space. New open-plan, multifunctional social and study spaces for students promote the exchange of ideas and perspectives, encouraging the development of the cross-cultural communication skills and networks which are essential to today's global business world.

Luc Craen, managing director of EU Business School expressed his delight at the new offering. "I am extremely pleased to oversee the expansion of EU's Munich Campus facilities. These spaces reflect the needs and desires of our diverse community and are a tangible demonstration of EU's dedication to delivering the best business education for forward-thinking future professionals. The need for expansion to accommodate our growing number of students reflects the prestige that EU Business School has earned as a provider of leading business education."
