

Summer School Barcelona

Academic Calendar 2026

This calendar outlines the scheduled dates and general structure of the International Summer School offered by EU Business School in Barcelona.

Participation is subject to successful registration, admission requirements and compliance with applicable institutional, visa, and travel regulations.

The International Summer School is a short-term, non-degree educational programme. EU Business School reserves the right to make reasonable changes to the programme schedule or calendar where necessary for academic, operational or safety reasons.
