EU Business School Group: Professional Accreditations

EU Business School programs are accredited by the Accreditation Council for Business Schools and Programs (**ACBSP**) and the International Accreditation Council for Business Education (**IACBE**). Both of these accrediting bodies are recognized by the Council for Higher Education Accreditation (**CHEA**), one of the main US higher education agencies. Our institution has also earned the International Quality Accreditation (**IQA**) from the Central and East European Management Development Association (**CEE-MAN**). Additionally, we have been certified by **EduQua** in Switzerland.

To ensure that accreditations truly reflect an educational institution's status and academic standards, quality reports must be submitted annually and biennially to these accrediting bodies.
