Geneva, the Center of Diplomacy and Finance

Geneva is a leading financial center and home to the highest number of international organizations in the world, including the United Nations, the World Trade Organization, the World Health Organization and the Red Cross. Visas

Before coming to Switzerland, it is essential to find out whether you need a visa to enter, travel and study here. There are many requirements to fulfill in order to receive a visa and depending on your country of origin, it may take up to three months to receive your visa. Therefore, it is important to start early and allow enough time for the consulate to process your request. The visa must be issued in your home country and is only valid for 90 days.

You will not need a visa if you are:

- A citizen of Switzerland or the European Union in possession of a valid European Union identification card or passport
- A citizen of a country which is part of the European Economic Area or European Free Trade Association and in possession of a valid passport

You must apply at the Swiss embassy or consulate general in your home country or country of residence, as the visa will be affixed to your passport before you depart.

We strongly recommend that you complete all documents necessary for the application process as soon as possible and provide translations of all documents in any language other than French or English.

Required documents in Geneva:

- Final acceptance documents from EU Business School Geneva and photocopies
- Passport valid for six months before the date of application and one photocopy
- E form
- O form and/or bank certificate stating you have an active account with a minimum of CHF 30,000 (the bank certificate must be in the student's name ONLY)
- D form
- "A qui de droit" (stating that you will leave Switzerland after completing your studies)
- CV/résumé
- A signed letter of motivation stating both the reason for studying in Switzerland and detailing your post-study plans

- Address in Switzerland
- 2 passport size photos (35mm x 45mm)
- Full study plan
- Copy of diplomas and transcripts

Important:

Should you need the O form, you will also need a copy of the passport or ID of the person who will sponsor you along with proof of their ability to pay.

Required documents in Montreux:

- Final acceptance documents from EU Business School Montreux and photocopies
- Passport valid for six months before the date of application and one photocopy
- Bank certificate stating that you have an active account with a minimum of CHF 30,000 (the bank certificate must be in the student's name ONLY)
- Completed and signed B permit form with a promise of departure in attachment (make sure to have all documents mentioned on page 3 of the B permit)
- CV/résumé
- A signed letter of motivation stating both the reason for studying in Switzerland and detailing your post-study plans
- Address in Switzerland
- 2 passport size photos (35mm x 45mm)

Please bear in mind that the visa requirements may change. Therefore, we recommend that you contact your local Swiss embassy or consulate general to ensure that the requirements are up to date.

Please note:

Each visa application is reviewed individually, therefore necessary documents may vary. The embassy reserves the right to ask for additional documents at any time. The submission of the above documents does not guarantee the issuance of a visa. Submission of an incomplete set of documents will lead to a refusal of your visa application. Once a visa has been issued, the purpose of the trip may not be altered. There is no such thing as an urgent or express visa.

Registering as a resident (all students):

All students wishing to pursue studies in Switzerland (both European Union and non-European Union citizens) MUST register as a resident in the city within two weeks of arrival. Please visit the EU Student Affairs Office on campus to pick up the necessary forms and receive detailed instructions on how to complete the residence permit process.

Living in Switzerland

Finding accommodation in Geneva and Montreux can be a real challenge. Therefore, we encourage all students to begin their housing search while waiting for their final enrollment documents.

We believe that a comfortable and inspirational living environment is an important part of any educational experience. This section gives you an overview of the accommodation options available to you. With the support of EU's Accommodation Office, you will be able to find the perfect place to call home in no time.

Student dorms

Living in student dorms allows you to meet new people and gives you a structured living environment without having to worry about household chores and the stress of dealing with rental agencies. Living close to other students helps you adapt to the city and your new lifestyle. This type of accommodation is welcoming and ensures you always have someone to talk to.

EU Geneva has secured a limited number of student accommodations with our partners, all just a 15-minute walk from campus. EU Montreux works closely with various residential partners to help find accommodation that suits you best.

If you are planning to arrive at the beginning of the fall term (October), we recommend that you send your accommodation application to a wide range of residences by May. Thousands of students arrive in Geneva and Montreux during fall to commence their studies. Apply for a place in our partner residences immediately after enrollment by contacting our accommodation officer. Placements are limited.

Private apartments

Having your own apartment is something that will appeal to you if you enjoy the quiet, like to be alone and don't want to compromise on personal space. You can

choose to get an apartment anywhere in the city without limiting yourself to student dorm availability or location. This type of accommodation is ideal for independent people.

Most apartments are rented through an agency, however renting directly from the owner generally saves tenants a lot of money in agency fees. An important aspect of housing in Switzerland is the concept of sharing. The majority of apartments and studios don't have a private washer or dryer, instead they are put at the disposal of all residents in the building.

Apartment-sharing

Sharing an apartment is a popular concept in Switzerland and a lot cheaper than living on your own. Shared housing is a flexible option and with international roommates, you will be able to learn other languages. But you must be willing to compromise.

If you are interested in this option, we highly recommend you arrive in Geneva or Montreux before you commence your studies, in order to meet potential roommates and landlords personally. Please contact the student affairs officer of your respective campus and they will pair you with another student who is also in search of a shared apartment.

For more information about housing, email our accommodation officer at your respective campus.

Planning your budget

You need to have an idea of what you are able to spend on rent, travel and leisure. You should plan for a monthly living expenditure of at least CHF 2,500 to live in Geneva and CHF 1,300 to live in Montreux. Around 65–70% of this should be budgeted towards accommodation expenses and the remainder will be for basic necessities and leisure.
