

Munich City Safety Recommendations

#EUCares

April 14, 2021

#StartHere

Cosmopolitan, prosperous Munich is the heart of Bavaria in Germany. It's a safe city with an efficient and extensive public transport system. These are some of the ways you can ensure you make the most of the city while staying safe and healthy.

General safety

We recommend you use the same precautions with your belongings in Munich as you would when moving around any city. These include:

- 01 Always **keep a close eye on your belongings**, particularly when on public transport or in central tourist areas.
- 02 **Don't keep wallets, phones or other valuables in a backpack** or back pockets that can be easily accessed.
- 03 **Make copies of all your important documents** such as your passport and residence permit, health insurance, etc. (We recommend taking photos of them and emailing them to yourself.)
- 04 German law requires that you **carry identification with you at all times**.
- 05 In case of emergency, **call 110 for police, 116-117 for medical assistance and 112 for the fire brigade**.

To prevent the spread of COVID-19

We recommend you follow these guidelines to protect your health and that of those around you. Please note that we have also prepared a booklet listing health and safety guidelines on campus.

- 01 **Wash your hands often.** Use soap and water and/or an alcohol-based hand rub.
- 02 **Maintain a safe distance** (at least 1.5 meters) from everyone, particularly from anyone who is coughing or sneezing.
- 03 **Avoid touching your eyes, nose or mouth.**
- 04 **Cover your nose and mouth with your bent elbow** or a disposable tissue when you cough or sneeze.
- 05 **Avoid sharing** utensils, food or drink.
- 06 **A curfew** is in place **from 10 p.m. to 5 a.m.**
- 07 **Masks** must be worn in public transport, in all buildings accessible to the public, in pedestrianized areas of the Old Town, inside and outside shops, in car parks and in the hallways, lifts and cafeterias, etc., of workplaces. **Only FFP2 masks may be worn** in shops and on public transportation, (fines for non-compliance).
- 08 **You may only meet with one person outside your household in public or in private.**
- 09 **Cafés, bars and restaurants** remain closed (except for deliveries and takeout). Some **shops** may open with advance appointments ("click & meet") and a negative PCR test.
- 10 **Use the hand-sanitizer gel** provided in shops and other establishments when entering and leaving.
- 11 **Walk or cycle** whenever possible.
- 12 **Stay home if you feel unwell.**
- 13 If you have been in contact with anyone who has COVID-19, you may need to self-quarantine for 14 days. **Call the health line 116-117 for advice.**
- 14 **All passengers flying into Germany are required to provide a negative PCR test before boarding the plane.** The test cannot be self-administered and must be taken within 48 hours of departure.
