The essay should be on one of the following topics:

1. Tell us about the most challenging team experience you have had to date. What role did you play? What did you learn?
2. Please describe a personal failure that has impacted your life and what you learned from it.
3. What achievement are you most proud of (studies, sports, professional life, etc.)?
4. If you could imagine an entirely different life from the one you lead, how would you want it to be?
5. Each of us has been influenced by people, events and situations in our lives. How have these influences shaped who you are today?
