Cosmopolitan, prosperous Munich is the heart of Bavaria in Germany. It's a safe city with an efficient and extensive public transport system. These are some of the ways you can ensure you make the most of the city while staying safe and healthy.

General safety

We recommend you use the same precautions with your belongings in Munich as you would when moving around any city. These include:

- 01 Always **keep a close eye on your belongings**, particularly when on public transport or in central tourist areas.
- 02 **Don't keep wallets, phones or other valuables in a backpack** or back pockets that can be easily accessed.
- 03 **Make copies of all your important documents** such as your passport and residence permit, health insurance, etc. (We recommend taking photos of them and emailing them to yourself.)
- 04 German law requires that you **carry identification with you at all times**.
- 05 In case of emergency, **call 110 for police, 116-117 for medical assistance and 112 for the fire brigade**.
