Omnes Education Group, a french provider of private higher education, has acquired a majority stake in **EU Business School**.

EU Business School is an international, professionally accredited business school with campuses located in Barcelona, Geneva, Montreux, Munich and online offerings. The school offers English-taught foundation, bachelor's, master's and MBA programs. The school additionally boasts a faculty of over 100 nationalities and an alumni network totaling over 27,000 members. EUBS will benefit from the deal through an increased international visibility and enhanced expertise to expand its geographic footprint.

“We are proud to join this prestigious educational group which we are sure will offer us the opportunities and synergies we need to strengthen our institution further,” commented EUBS chairman, **Carl Craen**. “The mindset and vision of OMNES Education are ideally aligned with EU, and we are certain that they will bring immense added value to our academic offerings.”

“As with its other schools, OMNES Education is looking forward to giving an important place in the Group to EU Business School and reinforcing its leading international position,” said **Mathias Emmerich**, president of the OMNES Education Group.
